New Castle was a great rodeo for firsts and personal bests. Congratulations to IJRA members Greeley Eastep, Maci Zimmerman and Grace Hassler for making their first official catches in the Breakaway Roping. That first catch is one that is never forgotten! Cooper Morris is on a roll as he caught his Breakaway calf also, making him two for two. Olivia White had a personal best run in the Barrel Racing on her horse Tecumseh. When the flag dropped during the K-1-2 Chute Dogging, Cade Morris dusted himself off

Member Spotlight

Maci Zimmerman

This month's Spotlight focuses on a 9 year old cowgirl from New Ross, IN. Maci Zimmerman is the daughter of Sherri and Brodie Zimmerman and a great sister to her brothers, Skylar and Cooper.

Maci Jo just finished her 3rd grade year at North Salem Elementary school where her favorite subject is Art because it allows her to be creative and it lets her let out what she likes to draw.

Maci Jo is currently competing in her third season of IJRA. She and her horse, Bunny, have been a tough team in their 3rd grade year of IJRA. I asked her a few questions and this is what she had to say.

Why do you like to compete in IJRA rodeos? I like IJRA because it's a great rodeo and they let you finish when you mess up and they teach you what you don't know.

What is your favorite event? Goat Tying because it's straight and fast and the goats are easy to flank. (I just have to add that Maci recently took almost 3 seconds off

her personal best goat tying time when she tied her goat in a 11.446 second run at La Porte! That is a tough time in any of our age divisions! Way to go Maci!)

Do you have anything you do that brings you luck? I don't have anything lucky but I do have a ritual before I compete. I close my eyes and clear my mind, my legs get nervous and that helps me get a good run.

What is your goal for this year? My goal for this year is to make the State Finals in all my events.

What is your favorite IJRA memory? The first time I rode my sheep and got a score was really exciting! As soon as the buzzer hit, that sheep bucked me off and I hit my head on a barrel!

Do you have any role models? Katie George is my role model because she really taught me how to goat tie and that is one of my best events. She has always been there for me and to help me practice.

What do you want to be when you grow up? A small animal and equine vet.
